

# *THE WOLDS WAY OWL TRUST*

The Owl Adoption Scheme enables us to raise additional funds and provide a safe haven for owls from all over the world that are in need of our help.

Our own indigenous owls are being threatened on many fronts: habitat destruction, more intensive farming methods, road traffic, lack of places to nest and changes in weather patterns to name but a few. In addition there are many non-native species that are being kept in this country as pets and in totally unsuitable conditions.

No single organisation can attempt to rescue all of these owls but with your support we can, hopefully, rescue and rehabilitate more of these unfortunate birds than would otherwise be possible.

The Wolds Way Owl Trust is based at South Cave Falconry on a 2 acre site on the Yorkshire Wolds. Your adoption/donation money goes into a fund which is used solely for the rescue and rehabilitation of owls from around the world.

If you decide to adopt an owl then your money may be used to assist with the cost of a visit to the vet, to contribute to our feeding costs, to rescue an owl or owlet in an emergency or even be put towards the cost of building a new aviary!

If you decide to go ahead with the adoption of an owl, please send a cheque made payable to: **The Wolds Way Owl Trust**, to the address below.
